183 A Stonewall Jackson, bust, Reverse, names of 22 battles, very handsome medals, dies by Caque, struck during the war in Paris. In original lacquered metalic frame, with glass on each side, and loop for hanging, making the medal suitable for room ornament, tin proof, size, of medal 32, medal and frame 54
183 B The same, but bronzed tin, in velvet lined case.
183 C Twenty medals in original box as they came from Paris, with lacquered frames and loops.
183 D Twenty medals, in velvet lined cases.
These medals are the only ones struck of Stonewall Jackson, and when what we have left are sold, it will be difficult

to obtain any more; as the dies were destroyed in Paris some ten years ago. So we are creditably informed. At my sale in March, eight were sold at an average of $1.10 each. These medals sell readily in the south, and ere long will double in price, as parties who have them will not sell them at any price. Two I have for my own private use, could not be bought for $50, if I could not replace them.
